COVER STORY

The 1957 Fuel Injected Corvette pictured on the cover of this issue, belongs to Donald W. Pulver of 1616 Trolist Dr., Pittsburgh, Penn. 15241. This car once belonging to Ed Thiebaud, was the center spread picture in Motor Trend magazine, the December 1971 issue. The Center Picture is on pages 58 and 59. The story titled "Inretrospect" written by Wally Wyss (who is honorary member No. 7 in V.C.C.A.) is on page 60 and 61. The story includes pictures, specifications, etc. Donald also owns 30-40 other 1956-1957 Corvettes. At a later date Blue Flame Special will run an article and pictures on all of Donald's Corvettes.

Oh, by the way, Donald has a notice hanging on his 1957 Fuel Injected Corvette which reads: "REWARD: given to the person who can come up with a Motor Trend magazine 1971 December issue. This car was pictured in that magazine, and I don't have a copy neither does Motor Trend. Contact: Donald W. Pulver, 1616 Trolist Dr., Pittsburgh, Penn. 15241."

ED'S VET MAKES NEWS

Road Test Magazine is featuring early model cars for every year. The Corvette was picked to represent the car for the '50s. And Ed's '54 Corvette was chose to appear in **Road Test Magazine**. Ted West came out to the ranch and he and Ed took the car out and took pictures of it. Watch for the article and pictures of Ed's 1954 Corvette in upcoming issue of **Road Test Magazine**.

WHAT 51 CORVETTES???????

Jerry L. Brewster, member no. 44 in V.C.C.A., was featured in **Corvette News Magazine** Aug./Sept., 1974. The story begins on page 26 and goes to page 29. It is titled, "Jerry and Terry and Scotty and Delores: The Brewsters, a look at a typical 51-Corvette family".

Jerry has a very large collection of Corvettes, ranging from 1954 through a string of '50's and '60's to the 1968 427.

This is a very interesting story to read. It tells how he first became interested in Corvettes, and talks about the first Corvette he ever owned, which by the way was a 1954.

I'd say 51 Corvettes is quite a few cars! Wouldn't you?
